

THE BEACHCOMBER

COMMUNITY NEWS FROM FIRST LUTHERAN CHURCH OF RICHMOND BEACH

Sept - Oct 2014

One of the hardest jobs a Lead Pastor has is getting good staff and keeping them. And just when you think you have all the right players **in all the right positions and you're all ready** to begin pulling in the same direction, a change occurs which makes it feel like any momentum you were about to have is, once again, lost.

Put on top of that the emotional difficulty of losing a co-worker that you have grown so fond of and worked so closely with. Ministry is done in close-quarters and, just like the **military has it's "band of brothers," so ministry has its close-knit bonds of collegiality. It's hard to lose a friend and a co-worker in God's Kingdom when a new opportunity pulls them in a new direction.**

After five years of ministry with us, this month we lose our dear brother Omaldo Perez as he takes a position in Ohio that offers him many new possibilities to grow and expand his career. Losing him is hard. Hard because we love his music; hard because we love his style; hard because we love him. Omaldo and Sonia were the first to reach out to me after I announced my divorce. They took me out for dinner and listened, and cared. **We've laughed together and we've cried together.** His loss is professional and it's personal.

I get that this is a great opportunity for him. **He's going to a bigger church where he'll have the chance to oversee other musical**

staff and have more opportunities to share his musical leadership. It gets he and Sonia closer to their friends and family in New York. **I understand all that, and I'm sincerely happy for them.** But it also makes me sad... sad for the loss of a great brother, a great co-worker, a great musician. Sad that the momentum we were beginning to feel will now be set back as we, once again, go through a staffing change.

His five years with us were a gift. God blessed us richly with his presence and leadership. We pray God will do great things with him in Ohio and we can feel good that we have set him up for such an opportunity. We pray God will now lead us as we look for a new Director of Music. But my belief is that the same God **who blessed us with Omaldo isn't done blessing us!** The Chinese character for "crisis" is the same one they use for "opportunity." While this certainly is not a crisis, this change gives us, just as it does Omaldo, an opportunity.

May God richly bless us in this time of transition as we await to see what God has next in store for us and our worship and music ministry! Join us September 21st as we celebrate Omaldo and Sonia and wish them both Godspeed!

Your Brother in Christ,
Pastor John

MESSAGE FROM THE ASSOCIATE PASTOR

From time to time someone will ask me what my favorite part of worship is. The answer? I love all parts of worship: singing praises together, listening to God's Word together, hearing the message together, praying together, listening together to the children's sermon, coming together to the Lord's Supper, and together collecting the offering. Yes, even the offering! **Sometimes people think of offering as "paying bills". Of course some of the offering is used to**

pay salaries and utility bills and give some money to support charities, but that is simply the way we further God's work in this corner of the world.

Offering is an important part of our worship. It is the moment in the service when we say to God, **"I know that you have given me everything I need to live and this is my moment to show you that everything I have is ultimately yours. Everything. Even my money."** Money is powerful and when we collect the offering we are saying that money is not the most important thing in our lives. God is.

Billy Graham said it well, "If a person gets his attitude toward money right, it will straighten out almost every other area in his

life." Craig Saterlee looks at the pull money has in our lives and writes, **"We do not overcome the power of money by accumulating more money, by using money for good purposes, or by being just and fair in our financial dealings. We participate in God's work of liberation, reconciliation, and recreation when we give money away, rendering money powerless and freeing ourselves- and all people from its oppressive control."**

As a pastor there is nothing that brings me greater joy than having the ushers bring forward what the people have offered to God and then lifting it before God and placing it on the altar. That simple act reminds all of us that every good thing we have is a gift from God. When we give, we are surrendering our entire lives to God. May God use our lives, every part of us, to serve our generous and merciful God!

In Christ,
Pastor Elizabeth

This is a time for everyone to share their thoughts, ask their questions, and be guided into seeing what these Scripture readings mean for us and our congregation. This hour of study will help you hear the sermon each week differently and, at times, even allow you to shape it through offering your ideas as to what these Scriptures mean for you. Join the pastors each Wednesday beginning September 10th.

First Lutheran Preschool & Kindergarten

42 years and counting!!!!

This September First Lutheran Preschool & Kindergarten will begin its 42nd year of ministry and outreach to the local community.

Mary's Place

First Lutheran Preschool & Kindergarten is excited to spread the news that we will be supporting Mary's Place again this year! Mary's Place is a day activity center in downtown Seattle, providing food, clothing, social services, resources, and a safe haven for homeless women and children. During the months of September and October we will be collecting new and gently used backpacks which can be filled with supplies for the women and children to take with them at the end of the day. We will also be collecting coloring books, crayons, markers, pens, small toys, and books (things to entertain a child in a sparse hotel room) to fill the backpacks. Look for the collection box near the education wing or you can leave any donations outside the school office.

This year please continue to support us by:

- Praying for the staff, board and families. This year our staff includes – Kathie Longé, Maria Hacker, Randi Johnson, Nancy Malek, Shannon Honka, Terry Anderson, Natalie Henning, Sherry Weber, Karen Herr, Carolina Leitner and Kären Beasley.
Board- Kristie Timss, Melissa Shook, Tamarah Lee, Sue McCormick, Terry Baird, Kristina Svenkerud, Kelly Oliver & Julie Anneberg.
- Collecting egg cartons, TP tubes and paper towel tubes & clean styrofoam meat trays
- Collecting Campbell Soup Labels-we have a collection bin **outside the school office.....they have changed from needing the front label – we now need the UPC label** from the back of the can or box. Over the years we have been able to **“purchase” supplies and equipment with the labels we bank!**

The staff and families are looking forward to another great year with lots and lots of fun and exciting things happening. Please **remember you are welcome to stop in and say “HI” anytime.**

SAVE THE DATE!!!

FLRB will be hosting a Flu Clinic staffed by Rite-Aid personnel Tuesday, October 7, 2014, 9-12:00 PM.

These shots are also covered by Medicare B and Secure Horizons which the nurse will bill.

If you have any questions, please give Kären Beasley a call at 206.546.0320

BUDGET / FINANCE

A Note From The Treasurer

We have been so blessed as a congregation. Not only have we been blessed with fabulous leaders and staff, we have been blessed with an abundance of faithful volunteers and members who are willing to serve our congregation, our neighbors and the world at large. If there is a need, our congregation is always willing to step up to the plate and help out.

We want to thank you for your faithful stewardship; without your generosity none of what transpires within and outside our doors would be taking place. Unfortunately, we ended the 2013-2014 year with a net loss of \$27,282. Being a good Norwegian, as I know many of you are, (and I know you don't have to be Norwegian to feel this way), I prefer to live life in the "black" rather than in the "red." My hope is you will prayerfully consider looking at your finances to see if there is a way you might increase your monthly giving to our church and its programs so that we may continue to be God's hands of service. If everyone made a small increase, it would make a huge difference.

I have been using the Simply Giving program for the last 4 years; it makes everything so easy! You indicate the amount you would like to donate weekly, bi-weekly or monthly and it's automatically taken out of your bank account. If you would like to make a change, there's an easy notification process. There will be sign-up forms available in the Narthex (entry) or check with Mike Harris, Karen Ewing or me for more information.

I feel so fortunate to be a part of First Lutheran of Richmond Beach. It's because of people like you that I feel that way. Please help get our 2014-2015 program year off to a strong start! Thank You, Anita Riksheim

Financial Budget Update

All revenues are now in for the 2013-14 fiscal year and we came in \$27,485 short of our budget goal of \$737,270. We were lucky not to exceed our planned expenses this year so we ended with a net loss of \$27,282. I would like to encourage you to prayerfully consider additional contributions this month to help start the year strong as well as taking an overall look at your regular giving. Our budget for the 2014-15 fiscal year has expenses of \$779,317 and we need your contributions to increase to support the programs you want to see. We look forward to an amazing 2014-15!

NICARAGUA MISSION UPDATE

Our purpose is to:

“share the gospel with the people of Nicaragua through our service in the areas of faith, community development, and health care”

Our Nicaragua Medical Mission Trip is happening November 8-15, 2014! We will fill you in on the details on September 14, 2014 which will be a fun Sunday celebrating where our church has been in Nicaragua, and where we are going! There is so much enthusiasm from everyone who has been touched by this ministry.

On Sunday September 14th the congregation will have the opportunity to hear about this amazing ministry. You will learn how we are serving God while working in partnership with the people of Nicaragua. So much work has begun, yet there is much to do. Last year we sent down a leadership team to begin forming a relationship with our partner church, Iglesia Roca Eterna and then in November we sent our first medical team. What amazing work they did. This year we sent a literacy team in April. They worked with moms, teachers, and students as well as brought books and school supplies to over 100 kids and monetary donations to go towards helping local people with the expenses of educating their kids. While there, the team experienced 5 earthquakes! Then in July we sent a youth team that consisted of high school youth, college students, and parents. **The primary focus for the week for this team became deconstructing Pr. Eliezer’s home that was condemned** after the April earthquakes. We are also looking forward to the return of the medical team in November.

Come and join us on the 14th at both services to hear how God has used us in ways we would never have expected and how you can help support this important ministry/partnership.

LEADERSHIP

Church Council

At the annual congregational meeting on June 9th, new members were elected to church council. Your new council representatives are: Bill Neumeister, council President; Bente Klatt, immediate past president; Marin Brustuen, Vice President; Anita Riksheim, Treasurer; Tamarah Lee, Secretary; Judy Borrow, Dick Craig, and Jim Annenberg, At-Large members, and Pastor John Bjorge. Council meets the second Tuesday of the month; the first meeting of the year will be September 9th.

SARATOV UPDATE

Saratov recently reported that they installed the remaining 10 large windows for their church hall. A large donation of 4,500 euros enabled the completion of the installation, for a total 16 windows. Also, the church is pleased to have a deaconess now. Sister Maren arrived in February after serving 8 years in Moscow, **and Saratov is very excited to have her. The “Report March 2014” newsletter, which contains more information and a picture of the windows, is on the bulletin board next to the work room.**

Omaldo & Sonia Perez Celebration

Save Sunday 9/21 for a reception event honoring Omaldo & Sonia's music ministry with us for the last 5 years and their new life in Ohio as Omaldo meets new challenges at Zoar Lutheran

Nicaragua Sunday

As we begin our fall worship schedule, we begin by celebrating a ministry that demonstrates the way this congregation works to extend God's love and care for those around the world. Join us on Sept 14 as we celebrate how the Lord is working through FLRB to accomplish amazing things for those in Nicaragua and see the difference it's making in our lives of faith!

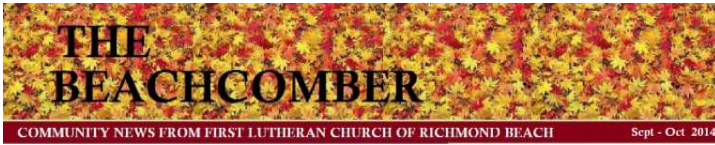

Omaldo & Sonia Perez

Dear Friends,

Saying goodbye is never easy. But sadly, a farewell is what Sonia and I must announce to you, after almost five great years of ministry at FLRB. Please, know that working in the midst of this faith community has been a wonderful experience. I have enjoyed making music, aiding congregational singing and looking after all of our musical needs. As a result, I know in my heart that the kindness of FLRB's outreach and the vibrancy of FLRB's worship will continue to find its way to many far away places, touching and helping many hearts for generations to come.

As for Sonia and I, we will be moving to Perrysburg -a suburb of Toledo, Ohio on September 22. Once there, I will be assuming new responsibilities and meeting new challenges leading the music program at Zoar Lutheran Church. As you can already imagine, the geography and the weather will be very different from Seattle's, but there is one thing that will remain the same: I will continue to strive for a healthy balance between Tradition and Innovation, while assisting in the bold proclamation of the Gospel through Word and Sacrament. For all the wonderful and loving moments of growth and adventure, we are grateful to all of you.
